

Chessemon Entities

Chessemon Pieces

Each Chessemon has the following stats:

- **HP** (Hit Points): How much damage it can take before being captured.
- **ATK** (Attack): Damage dealt in combat.
- **MOV** (Movement): How it moves on the board.
- **Ability**: Unique effect or passive.

Kingmon

- HP: 3 | ATK: 1 | MOV: 1 square any direction (like a chess King)
- Ability: "Royal Command" – Once per game, move any friendly Chessemon as if it were a Queenmon.

Pawnmon

- HP: 1 | ATK: 1 | MOV: 1 square forward (like a chess Pawn)
- Ability: "Eager" – May move two squares forward on its first move.
- Evolution: Can evolve into Knightmon, Bishopmon, Rookmon, or Queenmon with the appropriate Evolution Card.

Knightmon

- HP: 2 | ATK: 2 | MOV: L-shape (like a chess Knight)
- Ability: "Leap" – Ignores other pieces when moving.

Bishopmon

- HP: 2 | ATK: 2 | MOV: Diagonal any distance (like a chess Bishop)
- Ability: "Heal" – Once per game, restore 1 HP to any friendly Chessemon.

Rookmon

- HP: 2 | ATK: 2 | MOV: Orthogonal any distance (like a chess Rook)
- Ability: "Fortify" – Gains +1 HP while on a Home Zone.

Queenmon
